## Tell us what you think about plans to expand Winterstoke Hundred Academy

North Somerset Council are building an expansion to Winterstoke Hundred Academy in Locking Parklands.

This new facility will help meet the demand for school places in Weston-super-Mare and the surrounding villages. North Somerset Council and their design team invite you to attend one of two online sessions to get an update on this exciting project, ask questions about the building and offer valuable input.

We will be hosting online project webinars on:

**Wednesday 21 April 2021 at 1pm and 7pm.**

Each session will last an hour with a Q&A at the end.

At the webinar you will be able to see designs and hear about community benefits and delivery timetables. In addition, you can find out more about jobs and training opportunities available as part of the build process that will be supported by the Kier Sustainability School.

You can join the webinar via Eventbrite using the links below:
