Notice is hereby given that North Somerset Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984, as amended, intend to make an order the effect of which will be to close, temporarily, to vehicles the lengths of roads specified in the Schedule to this Notice.

Exemptions are included for emergency services, works access, works construction vehicles and as works permit for premises which may only be accessed via the closed section of road.

This order is required because of the likelihood of danger to the public consequent upon work by Bristol Water to install water main. This will become operative on the 17th February 2021 for a maximum period of eighteen months. However, the closures may not be implemented for the whole of the period but only as necessitated by the works which is anticipated to be of approximately 30 days in duration.
