

# **ST AUGUSTINE'S** **CHURCH OPENING**

The government has now permitted churches to open for public worship.

St Augustine's Parochial Church Council have voted to delay opening for worship and will reconsider this again in mid- August.

This is due to the number of vulnerable people within the parish and the need to keep people safe.

**Daily services are on – line via the website.**

**THE CHURCH WILL BE RE-OPENING FOR PRIVATE PRAYER ON THURSDAY 9<sup>TH</sup> JULY.**  
**THURSDAYS 10am-1pm and SUNDAYS 2pm-5pm**

**We look forward to welcoming you.**

**Our prayers are for the parish as we come out of lockdown. Please contact us if you would like prayer for yourself or your family.**
